Dhimas Ari Prasethiyo

Transforming Ideas into Code | Passionate Software Developer on a
Mission to Innovate and Elevate User Experiences
Jakarta, Indonesia

Summary

As a fresh graduate of the Mathematics Department at Universitas Muhammadiyah Malang, I have experience in various programming languages, including Java, OOPs Java, MySQL, and Python. Energetic and hardworking, I am committed to utilizing these skills to drive innovation, promote teamwork, and contribute significantly to successful professional growth. With a specific interest in the field of Software Development, I am currently seeking opportunities to contribute to companies operating in this sector.
